We Salute the Use of Technology to Inspire Infinite Possibilities

TechBridge and Accenture Congratulate the Winner and Finalists of the Eighth Annual TechBridge Technology Innovation Award.

We congratulate the winner:

TOMMY NOBIS CENTER

Serving youth and young adults with disabilities, The Tommy Nobis Center (TNC) develops their clients' hidden talents into prosperous job skills that make a powerful economic impact in our community. The Technology Innovation Award will enable TNC to make over its client tracking system to improve efficiency and maintain staffing costs while serving more people.

Congratulations also to **Habitat for Humanity – North Central Georgia** and **Open Hand**. As finalists for the 2009 Technology Innovation Award, we applaud their inspiring technology visions.
